GT App Registration Guide

- Passenger Cars

Mercedes-Benz
The best or nothing.

Introduction

The new Global Training App (GT App for short) will serve as a central, mobile portal for accessing all Global Training content. The application is available in the form of a mobile website and does not have to be installed from app stores (known as a "web app"). The GT App can be accessed with any terminal (PC, laptop, tablet PCs, smartphones).

Top Features

- Mobile learning anytime and anywhere
- New "Training+" training format
- Access to AKUBIS media library: All formats "on demand"
- Access to CBTonline
- Personalization: A personal profile can be created for further functions such as a filter and search function, watchlists and news, general terms and conditions
- Ongoing addition of new content and functions

New "Training+" training format

The new "Training+" training format offers edutainment content targeted at the needs of various user groups/job profiles. It provides a compact training format with brief learning modules on current topics. It also provides information and links to other content for all departments and target groups.

System requirements

Mobile devices

- Operating systems: iOS version 8 or later, Android version 4 or later, Windows (Phone) 8
 - Browser: Apple Safari, Google Chrome and IE11
- PC / laptop

- Operating systems: Windows, MacOS
- Browser: IE10, IE11, latest versions of Mozilla Firefox, Google Chrome, Apple Safari
